

Four Corners Association for Behavior Analysis
12th Annual Conference, Santa Fe, New Mexico
March 29th & 30th, 2019

CALL FOR POSTERS

Four Corners ABA invites posters that summarize empirical findings in behavior analytic research. The poster session will take place 8:00- 10:00 pm on Friday, March 29. A cash bar and hors d'oeuvres will be available. Email poster abstracts to Anthony DeFulio at anthony.defulio@wmich.edu by March 1, 2019.

Poster Guidelines

Your poster should follow APA style guidelines and feature the same sections as a research article, but in an abbreviated format. Wall space and mounting putty will be provided. We recommend posters be sized at 4'x3', but can consider special requests up to 6'x4'. Please let us know in advance if you need more space to ensure that we can accommodate you. Winner of the best poster award will receive free membership and conference registration for the 2020 meeting. Note that the purpose of this session is scientific interchange, not advertising. For advertising a company or product please use our exhibitor form on our website. No equipment or power outlets will be provided. At least one author must attend the session. There is plenty of advice online for how to design and present posters.
